MERCHANT DISCOUNT ANTITRUST LITIGATION**

No. 05 md 01720 (MKB) (JO)

This Document Relates to: All Cases.

You are receiving this notice because you have been identified as a merchant related to the following Dismissed Plaintiff as identified in Appendix B:

Notice of Exclusion from Class Action Settlement

AUTHORIZED BY THE U.S. DISTRICT COURT, EASTERN DISTRICT OF NEW YORK

To merchants listed on the attached Appendix B and related merchants that have accepted any Visa or Mastercard cards.

Si desea leer este aviso en español, llámenos o visite nuestro sitio web, www.PaymentCardSettlement.com.

A federal court directed this Notice. This is not a solicitation from a lawyer.

This Notice is authorized by the Court to inform you that you have been identified as a “Dismissed Plaintiff” (defined below) in a \$5.54–\$6.24 billion settlement of a class action lawsuit, in *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, MDL 1720 (MKB) (JO). You therefore will be excluded from the Class as defined in the Settlement and will not be eligible to receive Settlement funds, unless you also accepted Visa and Mastercard cards in a capacity other than as a Dismissed Plaintiff.

The lawsuit claims that merchants paid excessive interchange fees to accept Visa and Mastercard cards because Visa and Mastercard, individually and together with banks, adopted rules and engaged in conduct that violated the antitrust laws. The Court initially approved a settlement with a class of merchants in 2012, but that approval was reversed on appeal. The Court now has preliminarily approved a new settlement with a class of persons, businesses, and other entities that accepted Visa-Branded Cards and Mastercard-Branded Cards since January 1, 2004.

The Class and the Settlement exclude “Dismissed Plaintiffs” that filed their own individual lawsuits against any Defendant¹ and subsequently dismissed those lawsuits with prejudice. The “Dismissed Plaintiffs” also include stores, locations, brand names, businesses, and additional entities that those dismissing plaintiffs identified in their requests to be excluded from the prior class settlement in 2012.

You have been identified as a “Dismissed Plaintiff” because you are (1) a merchant listed on the attached Appendix B that dismissed its lawsuit with prejudice, or (2) were identified as a merchant related to one of those dismissing merchants on its request to be excluded from the prior class settlement in 2012. If you have questions about why you were identified as a “Dismissed Plaintiff,” or do not believe that you should be considered a “Dismissed Plaintiff,” you should contact the counsel identified below.

If you are a “Dismissed Plaintiff” that accepted Visa or Mastercard cards *only* as a merchant listed on Appendix B or because of your relationship to one of those merchants, you will not be eligible to make a claim or receive funds in the new class action settlement.

However, if you also accepted Visa or Mastercard cards in a different capacity, you may still be able to participate in the Class Settlement and make a claim for Settlement funds to the extent that you accepted Visa or Mastercard cards in that different capacity. That would be the case, for example, if you had other businesses, brand names, or locations not related to a merchant listed on Appendix B at which you also accepted Visa or Mastercard cards. If so, you should follow the instructions on how to participate in the Settlement or exclude yourself from the Settlement in a separate notice that you should receive with information regarding the lawsuit and its Settlement. That notice also can be found on the website identified below. You should carefully review that notice. If you have questions, you can contact the counsel listed below for further information.

QUESTIONS?

If you have any questions about this Notice or the Settlement, or how you may be eligible to participate in the Settlement and receive settlement funds, you should contact:
